

DREAD ENDO?

This course will provide you with an update on endodontic techniques, equipment and materials. It will enable you to confidently provide predictable and cost effective endodontics for your patients.

A mixture of lectures and hands-on sessions, the day will guide you through:

- modern concepts in endodontics
- access cavity design
- finding root canals
- irrigation techniques
- rotary endo hands-on with S5 by Sendoline
- reciprocating endo hands-on with S1 by Sendoline
- obturation techniques including hands-on
- endodontic case selection

Course duration: 09:00 - 15:30

Price: £99 per participant

CPD: 6 hours

Entry: 10-12 places available at each location
